

BGS branded clothing and other goods

We recently decided to raise the profile of BGS with badged aprons for those running stalls at various fairs and functions. One of our members, Simon Brown, designed an updated logo to suit.

They proved very successful and popular with Members. We decided to extend the project and can now offer members polo shirts, forage caps and tote bags featuring the new logo together with a sew-on badge and the original aprons.

All of these things are presented below together with prices and variants available.

If you would like to order any of these things please email me at SecretaryBGS100@gmail.com. We will be collecting payment in advance before commissioning them to be made. Please ensure you indicate size, colour etc. where relevant.

Many thanks

John Theophilus
Secretary.
