Programme

Our annual programme can be downloaded from our website.
Please subscribe to our calendar for updates.

Monthly talks are free for members to attend. (Non-members, £3.)

We meet on the second Tuesday of the month from 7:30pm at Bream Sports Club. What3words ///plums.launcher.vague

We have a seed and plant stall at most monthly meetings and other events. Bring along seeds (bought or saved), plants or produce to swap, or simply make a small donation to the Society instead.

Practical workshops, local garden visits, and members-only open gardens are arranged throughout the year. Our annual coach trip enables us to visit a special garden a little further afield. Additional charges may apply.

We also run a monthly Textile Crafts Group and workshops for Young Gardeners during the school holidays.

Traditional village shows

Please support our two annual shows. As well as gardening, there are competitions for flower arranging, art and craft, cooking, honey, eggs and photography - something for everybody.

- 162nd Bream Summer Show, Saturday 21st August 2027
- Bream Autumn Show, Saturday 30th October 2027

Competitions are open to all and no experience is necessary. All of the information that you need to compete is available on our website.

Sales

Help to raise funds to support the Society's activities by ordering from the sales page on our website.

- BGS apple juice, calendars and observation bee hotels
- BGS-branded clothing and bags.

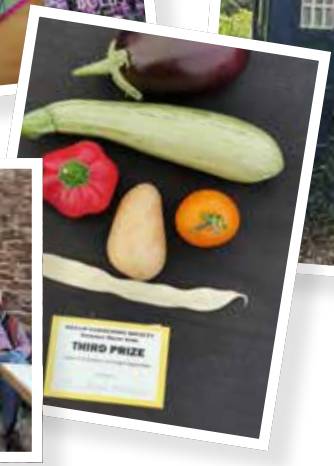

About the Bream Garden Society

Bream Gardening Society was established in 1865 and is one of the oldest in the UK.

We welcome anyone, of any ability or experience, who is interested in gardens, gardening and the natural world.

A full list of activities and members benefits is overpage, and/or you can check out our website or Facebook page.

There you can also see how to become a Member, if you aren't already. You can expect a very warm welcome.

We would like to thank:

- All our members who submitted pictures
- Our show photography judge, Sandra Walding, who selected the 'winners'
- Members Simon Brown and Magdalena S who designed and produced the calendar
- And, of course, YOU for buying it and enabling our Society to continue to thrive.
